

# Long Lake Township

Invites you to join us for

## A Walk in the Woods

We are holding a special workshop to give residents an opportunity to explore the new woodlands park property; and discuss plans for managing the forest lands.

- 🌲 Explore our new 120 acre woodlands park with resource professionals
- 🌲 Learn about the importance of ecological corridors, forests and wetlands
- 🌲 Have a say in "how the property will be managed."

DATE: July 20, 2002

TIME: 1:00 p.m.

WHERE TO MEET: Long Lake Township Hall, then we will drive to the Park

LENGTH OF WORKSHOP: 3 to 4 hours

CALL: 946-2249 for more information and to RSVP

Long Lake Township is pleased to announce the acquisition of 120 acres of land located between Bass Lake and Long Lake in Section 35. The Michigan Department of Natural Resources deeded the land to the Township in July of 2001 for the expressed purpose of "public outdoor recreation and old growth forest." With funding from the DNR, Long Lake Township is developing a forest stewardship plan for the newly acquired land. This is a wonderful opportunity to explore the woodlands park with resource professionals; learn about the importance of ecological corridors, forests and wetlands; and have a say in "how the property will be managed."
