Sheriff Dog at work!

Come see how our local Sheriff's Departments Canine unit works. Meet a Grand Traverse Deputy and his Canine partner. The Deputy will show you how a search for illegal drugs is done and how they can be found and also show us how the dog can help in finding a lost or missing person. Ask questions and learn how you train and take care of the dog. Where does the dog live and who feeds him? Children under five must be supervised by an adult.

Dairy Education at Moomers!

This one is a little different! Drop your kids off in the Moomer's parking lot at 10:00 am and pick them up at 11:30 am. They will take a wagon ride over to Farmer Bob's, see the cows, how they are milked, visit the creamery, and then travel back to Moomers by wagon. Then farmer Nancy will teach us about Dairy Education. When she is all done we all get to enjoy one scoop of our favorite ice cream. The Wagon only seats 25 so space is limited. If parents would like to join us back at Moomers at 11:00 for the education and ice cream, that is great, but you will be charged for your ice cream. Children under four must be with an adult, and it will count as two spots.

Play It Safe

Fire! What do you do next? Have fun learning what you need to do with Sparky the dog and real Fire Fighters. Sit in the fire truck, spray the hose, try on some fire gear, and learn hands on how to create a "home escape plan", as you move through the obstacle course. Parents invited-bring a camera, questions, and a sense of adventure. Adults must accompany children under five.

Stranger Danger/Scavenger Hunt

Deputy Kyle Rosa wants to know if you know what to do if a stranger approaches you? Learn what to do or what not to do. Take part in some role play situations or just sit back and take it all in. Feel free to ask questions! Then it is off to the park for a scavenger hunt. Find all the things on your list and you will receive a surprise, everybody wins! Children under four must be accompanied by an adult.
