RE: Century Farm Village PUD

Dear Planning Commission Members:

On behalf of DCR Investments, LLC, I respectfully request the granting of a two year extension for the zoning authorization of the Preliminary Concept Development Plan approved for Century Farm Village PUD. This request is pursuant to section 15.7 of your current zoning ordinance and due to the current state of the economy of the housing market in Michigan. We believe the project is worth preserving and pursuing as a PUD, but do not want to burden it with what currently appears to be an unrealistic time frame for construction. Thank you for your consideration of this request. I look forward to meeting with you at your August Planning Commission Meeting to discuss the merit of this request.

Sincerely,

Ron Carr, PE
