- b. The owner of a lot, parcel, or tract of land claiming an exempt split as defined in Section 3(f) of this Ordinance shall submit to a member of the Land Division Committee either a survey map of the land claimed to be an exempt split prepared pursuant to the survey map requirements of Act 132 of the Public Acts of 1970, as amended, certified by a land surveyor licensed by the State of Michigan, or other clear evidence documenting that the proposed exempt split of a parcel or tract of land will not result in one (1) or more parcels of less than forty (40) acres or the equivalent. In addition, the owner of a lot, parcel, or tract of land claiming an exempt split shall submit to the committee member a permit or other documentation from the State Transportation Department or the Grand Traverse County Road Commission documenting that each new lot, parcel, or tract of land resulting from the proposed exempt split has or can have a driveway or easement that provides vehicular access to an existing road or street and meets all applicable location standards of the State Transportation Department or the Grand Traverse County Road Commission under Act 200 of the Public Acts of 1969, as amended. If the committee member finds that the proposed division is an exempt split and that each new lot, parcel, or tract of land that

will result from the division is accessible, then no further action under this Ordinance shall be required. Section 6. Procedure for Division or Property Transfer

The following procedure shall be followed to divide a lot, parcel or tract of land or to effect a property transfer:

- a. Because of the many requirements that must be met to obtain approval to divide a lot, parcel, or tract of land, or to effect a property transfer, an Applicant may request an informal meeting with a member of the Land Division Committee to discuss the application procedures prior to submitting a formal application under Section 6(b) of this Ordinance. At this informal meeting the Applicant and the member of the Land Division Committee shall review the proposed division or

GRAND TRAVERSE COUNTY
ORDINANCE NO. 34, AS AMENDED

property transfer, discuss the information that must be submitted with the application, and review the standards the Land Division Committee will use to render its decision on the application. Nothing stated by the member of the Land Division Committee during this informal meeting shall be construed as limiting in any way the duty of the member of the Land Division Committee to independently review, consider, and decide an application based on the information actually submitted with the application.

- b. When formal approval of a division or property transfer is desired, the Applicant shall submit an application for that approval to a member of the Land Division Committee on a form supplied by the township for that purpose. Except as provided herein, the application shall include, but not be limited to the following:
 1. Proof of ownership of the lot, parcel, or tract of land to be divided, or of the lots or parcels involved in a property transfer.
 2. The names and addresses of all persons having an interest in the lot, parcel, or tract of land to be divided, or of the lots or parcels involved in a property transfer and a statement of the type of interest each holds.
 3. A brief statement as to the purpose of the proposed division or property transfer and whether the lots, parcels or tracts of land that will result from the division of property transfer will be used for residential (single family, multi family, etc.), commercial, or manufacturing purposes.
 4. The history of the prior divisions of the parent parcel from which the Applicant's parcel or tract of land came and proof that the Applicant holds the right to divide the

GRAND TRAVERSE COUNTY
ORDINANCE NO. 34, AS AMENDED

parcel or tract of land proposed for division.

5. A survey map of the land proposed to be divided or the land involved in the property transfer prepared pursuant to the survey map requirements of Act 132 of the Public Acts of 1970, as amended, certified by a land surveyor licensed by the State of Michigan and depicting the dimensions of the lot, parcel, or tract of land to be divided, or the lots or parcels involved in a property transfer, the dimensions of the lots, parcels, or tracts of land that will result from the division or property transfer, the location of all current easements on the lot, parcel, or tract of land to be divided, or on the lots or parcels involved in a property transfer, and the location of all proposed easements on the lots, parcels, or tracts of land that will result from the division or property transfer. The easements required by this subsection shall include both utility easements and ingress/egress easements. The survey shall also depict all buildings and structures on the lot, parcel, or tract of land to be divided, or on the lots or parcels involved in a property transfer and the distances between these buildings and structures and the original property lines of the lot, parcel or tract of land to be divided, or the lots or parcels involved in a property transfer and shall depict the distances between these buildings and structures and the property lines of the lots, parcels, or tracts of land that will result from the division or property transfer. For proposed divisions of tracts of land that divide the tract along preexisting and recorded parcel boundaries, the Land Division Committee may waive the requirement for a survey.
(amendment 10-97/98-2, effective 12/5/1997)

ORDINANCE NO. 34, AS AMENDED

6. Legal descriptions, certified by a land surveyor licensed by the State of Michigan, of the lots, parcels, or tracts of land that will result from the division or property transfer and legal descriptions of the easements already in existence on the lots, parcels, or tracts of land or that will be created as a result of the division or property transfer.
(amendment 10-97/98-2, effective 12/5/1997)
 7. If the lot, parcel, or tract of land that will result from the division or property transfer will be a development site, then the Applicant shall submit a permit or other documentation from the State Transportation Department or the Grand Traverse County Road Commission that each such resulting lot, parcel or tract of land has or can have a driveway or easement that provides vehicular access to an existing road or street and meets all applicable location standards of the State Transportation Department or the Grand Traverse County Road Commission under Act 200 of the Public Acts of 1969, as amended. In addition, the Applicant shall submit evidence establishing adequate easements for public utilities from each such resulting lot, parcel, or tract of land to existing public utility facilities.
 8. Such other documentation that the committee member may require relating to the application.
(amendment 05-97/98-4, effective 05/22/1998)
- c. The application shall be accompanied by the application fee as established and set forth in a township fee schedule. This fee schedule shall also establish "after the fact" fees that must be paid when an otherwise lawful division or property transfer occurs but without first complying with the procedural requirements of

LONG LAKE TOWNSHIP
GRAND TRAVERSE COUNTY
ORDINANCE NO. 34, AS AMENDED

this Ordinance. This "after the fact" fee is not intended to be a penalty, but shall consist of the normal application fee plus an amount equal to the legal and administrative costs incurred by the township as the result of the Applicant's failure to initially comply with the requirements of this Ordinance.

- d. After receiving the application and the information required in Subsection 6(b) above, the committee member shall refer the application to the Land Division Committee for its consideration. The Land Division Committee shall decide whether to approve a proposed division or property transfer within forty-five (45) days after all the information required in Subsection 6(b) above is given to the committee member. If the Applicant fails to provide all the information required in Subsection 6(b) above, then the application shall be deemed incomplete and may be denied on that basis. The Land Division Committee's decision to grant final approval of an application shall be made pursuant to the standards contained in Section 7 of this Ordinance. The Land Division Committee may grant conditional approval of an application, as long as the conditional approval relates to (i) compliance with this Ordinance, (ii) compliance with the township's private road ordinance, (iii) compliance with the township's zoning ordinance, (iv) compliance with any other applicable township ordinance, county ordinance, or state or federal law, and (v) the Applicant obtaining any necessary variances from the Zoning Board of Appeals pursuant to Section 8 of this Ordinance. If a conditional approval is granted, then the approval shall not be effective until all conditions have been met. At the time of the decision by the Land Division Committee, if one or more proposed land divisions are on a proposed private road, then the application may be approved on the condition that a private road is constructed pursuant to the Township's private road ordinance. If the Land Division Committee fails to grant final approval of an application,

LONG LAKE TOWNSHIP
GRAND TRAVERSE COUNTY
ORDINANCE NO. 34, AS AMENDED

written reasons for its decision shall be given to the Applicant. The Applicant shall then have the option of resubmitting information for final approval to the Land Division Committee or appealing the Land Division Committee's decision to the Zoning Board of Appeals pursuant to Section 9 of this Ordinance. (amendment 04-07/08-6 of 2008, effective 05/19/2008)

- e. If the Land Division Committee grants approval of an application, then the committee member shall send a letter indicating such approval to the Applicant. This letter shall contain the following statement: "Long Lake Township, its officers and employees are not liable if a building permit is not issued pursuant to Section 109a of the Land Division Act, as amended, for a parcel less than one (1) acre in size that resulted from an approved division under the Long Lake Township Land Division Ordinance. A copy of this letter shall be retained by the Land Division Committee in its official records.
- f. If the grantor intends to convey the right to future divisions of the parcel being conveyed, the deed or land contract shall contain the following statement as required by the land Division Act, as amended: "The grantor grants to the grantee the right to make (insert number) division(s) under Section 108 of the Land Division Act, Act No. 288 of the Public Acts of 1967." Finally, for all deeds and land contracts of unplatted land shall contain the following statement as required by the Land Division Act, as amended: "This property may be located within the vicinity of farmland or a farm operation. Generally accepted agricultural and management practices which may generate noise, dust, odors, and other associated conditions may be used and are protected by the Michigan Right to Farm Act." (amendment 04-04/05-5, effective April 21, 2005)

 2. The exceptional or extraordinary circumstances or conditions existing on the parent parcel are not the result of any act or omission by the Applicant or his or her predecessors in title.
 3. The granting of the variance shall not be injurious or otherwise detrimental to adjoining lots, parcels, or tracts of land or to the general health, safety, and general welfare of the township.
 4. The resulting lots, parcels, or tracts of land with the variance granted shall be compatible with surrounding lots, parcels, or tracts of land.

GRAND TRAVERSE COUNTY
ORDINANCE NO. 34, AS AMENDED
